

Match Report 26th June

Friendly match vs Olveston

Give yourselves a well deserved pat on the back for flying the flag again for BEGBROOK.

Always a real pleasure meeting so many of our good opposition & friends at Olveston & yesterday was no exception.

The weather did its best to defeat us with the heat & top marks to Graham for battling through to the 9th end & such a relief to see you make a full recovery by the end of the match.

A special thanks for those people that stepped in to help me out, hope you enjoyed your game & I know a few were playing in unfamiliar positions so I hope you got something out of it.

We were winners on 2 rinks, lost on 2 & a nailbiting down to the wire last ball finish for a DRAW, that seemed to get a couple of players animated.

Well done all for technically an HONOURABLE DRAW I think, long may it continue.
