

## **Lydney Away August 4th**

Our first ever match against this club & WHAT AN AFTERNOON!

I think we were all in agreement one of the best friendly afternoons bowling that this club has had for a long time.

Well done everyone for arriving in plenty of time for an early 2pm start at their green situated in Bathurst Park, a beautiful setting with a cracking clubhouse tucked away some 100 yards from their green.

It took a while for many to get used to the green as it played well but much heavier than our quick surface.

For many the rinks changed after a while & players settled in to a magnificent afternoon of bowls, perfect weather, close matches across the board, friendly hosts & a winning result by 6 shots, what more could we ask for.

Great socialising post match with Ken & Chris the fixture secs sorting out some rematches for the future, I hope we can return the compliment next year.
