

## Match report - Yate v BGBC 11 Aug 24

This was a great afternoon playing against our friends at Yate. The match was played in a friendly but competitive manner on a slow running, narrow green. My thanks to all who played & especially for Maureen, a Yate veteran who stepped in to play for us at the last minute.

It is fair to say that it all changed after tea which made for an exciting finish on several of the rinks.

Before I get onto the match scores, there was one area where we excelled; we took a clean sweep of the raffle prizes - sorry Dave but you can't eat any of your winnings!

The teams on each rink were closely matched. Typically each end was won by the odd shot or two. However there were exceptions where higher scoring outcomes were achieved by both teams. Of particular note was the 6 shots won at one end on Rink 4 which brought us right back into contention.

Rink 2 15 - 9 (BGBC Lost)

Rink 3 13 - 12 (L)

Rink 4 13 - 14 (W)

Rink 5 20 - 12 (L)

As is tradition when playing Yate away in a friendly, there is only ever 1 shot in the end result & on this occasion we lost by 1.

Thanks again to all who played today.

Lee

Captain of the Day.
